**LATE WORK** In order to turn in late work, students must serve 30 minutes of time for each assignment they are turning in. Late work or resubmitted work must be turned in by the end of the respective unit to receive credit.

**MAKE UP WORK** When students are absent, they are accountable for turning in assignments the next day they return to class. If the work is not made up within three days, based on the number of days absent, students will need to serve time to receive credit.

**CHEATING AND PLAGIARISM** Cheating from another student, book, and notes are a major offense. If caught cheating the student will lose credit for the work. If a student is caught cheating with another student, BOTH students will lose credit.

Plagiarism is when a student does not give credit to an author or producer of a piece of work (i.e. music, books, magazines, websites, etc.) If a student is caught plagiarizing the student will lose credit for their work. This is an easy punishment (Colleges today, kick students out for plagiarism)

**TECHNOLOGY** We will be utilizing Google Classroom in our classroom. Computers and chargers are expected in the classroom daily. Inappropriate use of technology will lead to 0/9th Block.
