Student Activity

Student activity in a variety of forms has been prevalent all school year, but especially during Homecoming Week last week. Below are several photos of students, with some highlighting the "All District - PK-12 Pep Rally" that was on Friday morning (September 29). This is the one-time during the year where all students come together to show their school spirit and more. I believe this is an amazing day for our students, that is accentuated by the Homecoming Parade and game on Friday night. Believe in the Blue. Believe in Bellevue.

Some photos are below, along with on the next page (or back side if you print this document), along with information on the Bellevue PAC "Trunk or Treat" event.

Parent Teacher Conferences

While I have the dates and times listed for the Fall Parent-Teacher Conferences, I want to remind everyone of the process, along with the new times for this school year.

- The dates are Wednesday, October 18 from 3:30-8:00 & Thursday, October 19 from 1:30-6:00. This is a new time for the second day of conferences in comparison to previous years.
- Elementary parents will be contacted to arrange specific times for their conferences, while middle/high school parents can attend at any time during the time frames to visit with the variety of teachers their students engage with on a regular basis.

Above are students at the pep rally, while to the left is the Homecoming King and Queen - Jack Hiland and Jami Portz
