Past Graduates Excelling

During the “State of the School” assembly last Friday, BHS alumni Emma Kelchen and Giana Michels shared their story of Clarke University’s National Basketball Championship! They discussed teamwork, perseverance, hard work and chasing your dreams! It is always an honor to welcome back our graduates to hear what they have been doing, and what they have to share with our future graduates.

Future College Wrestlers

On Saturday, the Bellevue Wrestling program had its two first college wrestling signees “commit” to the Ellsworth Women’s Wrestling program. Adessa Leibfried and Ryan Dunn have set high standards for the girls wrestling program in Bellevue, and will have a positive effect at Ellsworth in the future.

After School Programming

The Bellevue CSD offers multiple after-school programs, with one of these being “Kids in the Kitchen”. Recently they made a fruit salad, and showcased their skills (and enjoyment).

Student Involvement in the Community and Area

Thanks to our students for assisting the DNR in sandbagging in the area this week as we provide to those around us (and encourage students to be involved). Our community and area are important to our school system.

BELIEVE IN THE BLUE

It is the policy of the Bellevue Community School District not to discriminate on the basis of race, color, creed, gender identity, marital status, sex, sexual orientation, national origin, religion, age, disability or socioeconomic status in its educational programs, services, or employment practices.
