What the Flag Means to Me

Jim Kilburg and John Pitlo from the American Legion were at the Bellevue Elementary this week to present awards to the top three essays from Bellevue Elementary in the "What the Flag Means to Me" essay contest. The top 3 essays were submitted by the following 5th grade students:

Hunter Amling - 1st place

Kendall Duesing - 2nd place

Elwood Taylor - 3rd place.

Hunter's essay now moves on representing all of Bellevue in the District contest!

Measuring and Learning

This week 3rd grade students in Mrs. Pitts' room were practicing measuring to the 1/2 inch. This is a valuable skill for students as they get older and potentially work in the industrial tech building for courses at the middle/high school, along with doing their own home projects and other individual work as they get older.
