Believe in Bellevue!

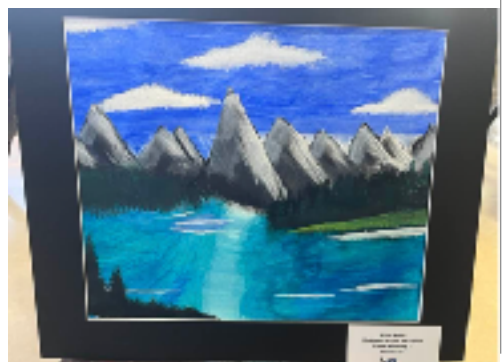

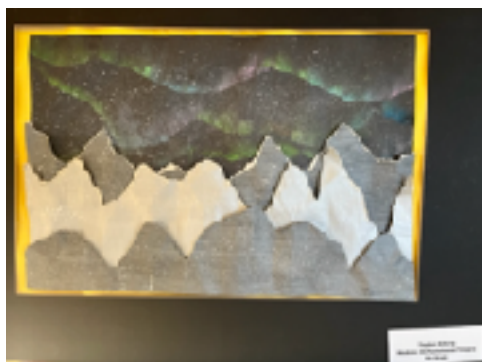

Bellevue Agriculture Program and FFA

FFA Ducklings have arrived at the Bellevue Community School District. As part of Mrs. Gerlach's Animal Science semester final exam, students are responsible for caring for these ducklings and working to imprint them! Great hands on learning for the students.

Art Classes

Mrs. Canganelli has art classes for students ages K-12 throughout the school year, and some of her student's work was displayed during concerts this week, The pieces of work created by the students stands out in many ways, with a few below from 5th grade student Tayden Kilburg and 10th grade student Kylie Arlen.

Food Drive

Bellevue High School held a drive for the Bellevue Bread Basket last week and delivered everything on Sunday for use by our community members.
