Student Activities and Learning

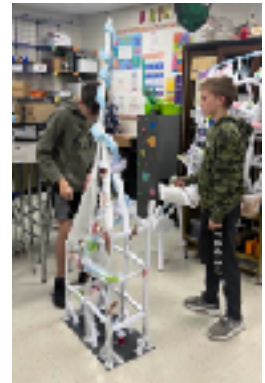

The Comet State Dance Team

performed this week at state and had outstanding performances:

- Lyrical - Division 1 Rating & 2ND PLACE trophy!
- Novelty - Division 1 Rating & 3RD PLACE trophy!
- Hip Hop - Division 1 Rating Students in 7th Grade

Science completed their paper roller coasters with an emphasis on the learning of potential and kinetic energy. It was excellent to see students engaged in their learning, and eager to show their learning and roller coaster "product" to everyone.

Below: 1st Grade students in Mrs. Anderson's class also had the opportunity to explore science in their classroom STEM bins.

Below is an aspect that is emphasized with staff, students, and others in regard to caring for ourselves and others, along with respecting the "stories" and lives of others in our school and community. Everyone has their own "story" of their life.

Everyone has a Story...

What is Your Story?
