### Mill Valley and Cookie Decorating

Last week 18 FFA members visited the Mill Valley Care Center to decorate cookies for the holidays. The members were able to assist the residents with their cookie decorating.

### Girl's Wrestling

The Bellevue CSD is in its second year of a girl's wrestling program, and there are 11 girls participating this season for our district's program.

### Family Involvement

Recently the Davies family played the National Anthem for a basketball game... including the Bellevue CSD Band instructor Evan Davies, and his kids of a variety of ages. Additionally, it is common to see our vocal students singing the National Anthem prior to events, and this provides them with a venue to showcase their skills.

### Bellevue Ag Program and Elementary Students

The CAPS after school program offered an agriculturally-related opportunity for students this semester. One of the learning activities involved learning the process eggs go thru from the farm to the consumer.

### Concerts

Over the last two weeks the district had concerts for students in grades PK-12. A new addition this week were "piano recitals" from students in Mrs. Roe's Piano class at BHS. Each student played a brief selection of a winter/holiday song.
