HAPPY HOLIDAYS! Winter Concert

Over the last several days we have had a variety of concerts highlighting the talents of our students. Thanks to Ms. Schuler (K-5 Music), Mr. Davies (5-12 Band), and Mr. Huntley (6-12 Vocal Music) for their efforts in assisting our students in their development beyond the core academics. The pride that students showed in their work was outstanding, and shows the dedication necessary for success that is needed in all areas of life.

Field Trips and Visitors = Learning for Students

While our students take “field trips” or have visitors in the classroom, they are also learning valuable information and perspectives that they cannot learn within the classroom walls or from the teacher alone. Below, Mr. Anderson discussed the button factory that used to be in Bellevue with 1st grade students, while high school students toured Tracy Exports in East Dubuque.
