This is an outstanding time to visit about the learning of students, ask questions that you may have about the education of students, and many other educationally related topics.

Upcoming Events

The Bellevue Community School District is offering two "learning" opportunities for parents, students, and other stakeholders in the upcoming weeks. Please join Area Substance Abuse Council for a screening of "**Screenagers: Under the Influence**" about vaping, drugs, and alcohol in the digital age in the West Gym at the Bellevue MS/HS on March 6 during Parent-Teacher Conferences. This is open to the public.

On March 20, the Bellevue CSD and Bellevue BIG will be presenting the documentary "**The First Class**" with a focus on addressing the challenges that students face in school and the need to reimagine learning for both teachers and students. The public is invited to attend.
