High School Graduates AND College Graduates

Congratulations to Terrin Back and Taylor Deppe! They graduated from EICC with their associates degrees last week, and will graduate from BHS on Saturday, May 27. Additionally, the district also has several students who are within one class or a semester of attaining their associates degree (at no cost to the student or their families).

Teacher Recognition

Each year Wartburg College asks graduating seniors to nominate teachers from their high school who have had an impact on their lives. BHS graduate Harrison Haynes nominated Tracy Weber this year and his nomination was selected as one of two winners! On Monday, Harrison and Mrs. Tara Winter surprised Mrs. Weber with her award. It comes with a stipend and an opportunity for a BHS student to get a Wartburg scholarship. Congrats to Harrison and Mrs. Weber
