

The Weekly Comet

From Dr. Tom Meyer, Superintendent of the Bellevue Community School District

Believe In The Blue. Believe In Bellevue.

Bellevue Elementary Groundbreaking Event

The Bellevue CSD Board of Education and several others were a part of a groundbreaking event on Monday night (April 15). The site will be where the new Bellevue Elementary building for grades 3-5 will be constructed, and scheduled to open at the start of the 2025-2026 school year for students. This is a result of the efforts and collaboration of the school board, community members, staff, administration, and many other stakeholders in our community to provide an updated learning environment for students.

Left to Right:

Janet Sieverding (Board Vice-President), Brett Ernst (Facilities Director), Matt Wedeking (former Board Member), Eric Kilburg (Board Member), Mike Reed (Board President), Marty Ploessl (Board Member), Tom Meyer (Superintendent), Allysen Bonifas (Board Member), and Matthew Stewart (OPN Architects)

State FFA Convention

This week, 14 Bellevue FFA members were in Ames being recognized for their accomplishments, competing in various contests, and assisting with convention management while following the FFA mission statement. Thanks for Angie Feller and Toby Giesemann for chaperoning the students for the district and the district's Ag teacher and FFA leader Blair Gerlach, who recently had a baby and was unable to attend. Congratulations to Nate and Blair Gerlach.
