Open House Review

The Bellevue CSD hosted an “Open House” in regard to the upcoming construction of a new 3-5 Bellevue Elementary School on Wednesday, September 13. This was an opportunity for stakeholders to see some of the tentative plans for the building, along with provide feedback on their thoughts about various aspects of the building. Some of the designs and overall plans are below, but more can be seen at the district website at www.bellevue.k12.ia.us

The new building will be located to the east of the current Bellevue MS/HS building, and near the current softball diamond and track and football/soccer field. Stay tuned for more details in the future.
