

Minutes from Principal's Advisory Committee (PAC) Meeting
March 28, 2022
Meeting was held at La Casa de Pancho
6:30-7:20 PM

Present: Jeanna Schmidt, Kristena McDonald, Janet Watkins, Mike Dempewolf, Emma Sturm, and Principal Jeanette Hartung-Schroeder.

Old business: Scholastic book fair went well. We have not received the bill yet. Will provide summary at the next meeting. The teachers appreciated the meal Thursday night.

Game night for grades 3 and 4 was moved from March 25 to April 1 due to the scheduled Spring Fling Chamber event in the elementary gym on March 26. Kristena created sign up forms that went home on March 25. The flier included a list of games including: board games, cornhole, dodgeball, skee ball, card games, 2 player arcade basketball and more! Reservations are due back March 30, 2022. On there students could select their pizza preferences (cheese, pepperoni, sausage, supreme, all meat.) The flier also announced that this is a special night for 3rd and 4th graders so siblings are to stay home. Kristena reported out on pizza prices. Bornmann's Pit Stop has the best price. We will set up beginning at 4 PM. All hands make light work. Kristena will go to Sam's and purchase plates, cookies and chips.

April 22 is the evening selected for the 5th grade Lock In. Pizza/Pajama night from 6 - 10 PM. Pizza will be purchased. Mike will make a survey for the 5th graders to complete so we can learn what they would like to do for the evening (activities, music, want to wear pjs?)

Discussion was held about an end of year carnival. May 20, 2022 from 6 - 8 PM was the date selected. In the event of rain, we will move inside to the gym. Jeanna reported that Kueter's has inflatables available at Kueter True Value. Jeanette will get to Kristena the name of the inflatable company that we used from Cedar Rapids a few years ago. We will invite outside entities to provide food: food trucks, lemonade from a student group (4H, girl scouts, cheerleaders, etc.), ice cream from Grandpa's Parlour Emma Sturm will check with Koppe's Kreations to see if they are available. (Emily Hager -Grandpa's Parlour?) We will discuss this further at the next meeting.

The group inquired about offering a \$500 scholarship. That should be fine. Kristena will contact Scott Jess to get particulars.

Next meeting is Thursday, April 21, 2022 @ 6:30 PM. Meeting may be moved to the Moore's Coffee House. This will be put out on TeamSnap.
