

Minutes from Principal's Advisory Committee (PAC) Meeting  
November 18, 2021  
6:30-7:30 PM

Present: Jeanna Schmidt, Hattie Helmle, Mike Dempewolf, Kristena McDonald, Tina Miller, and Principal Jeanette Hartung-Schroeder. Marla Mootz could not attend the meeting.

The evening was to finalize plans for the Parents' Day Off event December 5. Kristena provided all with a document of events planned. There will be three areas to do things: crafts in the lunchroom, games/group activities in the gym, and movies in two classrooms.

It was suggested to put on the flyer to have students bring water bottles and to have a place where parents can sign up to work a two-hour shift. This event will take many adults. Kristena will make a google form for sign up. Kristena did much work to organize this event already.

Jeanette volunteered to get lunch items through the hot lunch program. That menu is to include hot dogs, chips, string cheese, fruit snacks and water/milk. Jeanette will also try and get popcorn from the concession stand.

Members present wrote personal notes on coffee-cup notepads with a gift certificate to Moore's Coffee Shop stapled on the back for all staff (63) at BES.

Next meeting date was not set. But the third Thursday of December would be the 16th.
